YOU'RE INVITED TO TAKE YOUR TIME

What greater privilege, than time? Welcome to Lexus Encore, the three year owner benefits program that allows you to live your life more seamlessly—where effort becomes effortless and pleasure knows where to find you. We've been expecting you.

ENJOY EFFORTLESS SERVICE

Welcome to a service that anticipates your needs. The renowned Lexus customer service and our expert technicians ensure your car is a pleasure to drive today, and into the future. Throughout your journey with Lexus, we will take care of you every step of the way.

When you need your car serviced, we make sure you can still get around with ease with a complimentary loan car. You can either pick it up when you drop your car off. Or, if you prefer, we can pick up your Lexus and drop off a loan car, directly to your door, for your convenience.

Once your Lexus has been serviced we'll return it with a complimentary, exterior wash and vacuumed interior, so you can enjoy a life less hurried.
